If your child has any special medical needs, dietary restrictions, or will require daily medication, please let Susan Tatum know ASAP and follow these instructions:

IMPORTANT INSTRUCTIONS FOR CHILDREN BRINGING MEDICINE TO KIDS CAMP

All prescription medicine must be sent in the medicine bottle or container with the pharmacy label on it. No baggies with loose pills please.

All prescriptions should be bagged in a ziploc with a sheet inside labeled with the child's name, medicine and all instructions.

These should be given to Susan Tatum when you bring your child to check-in on Wednesday. They will be given to the camp nurse upon arrival who will distribute as needed.

Please remember to send bug spray! There are lots of biting critters at camp!
Thanks for your help with this!
