

## ***Frequently Asked Questions***

*For if a man belongs to Christ, he is a new person. The old is gone.  
New life has begun. 2 Corinthians 5:17*

Welcome to **Caterpillar Cove**, FBC's ministry to children from birth through Kindergarten. The preschool years are vitally important. Foundations are laid that determine future success. It is a time when preschoolers are growing physically, mentally, socially and emotionally at a rapid pace. Trust is learned during the first year of life. Preschoolers are also developing foundations for their spiritual and moral growth. Preschoolers will experience active learning that teaches them about God, Jesus, the Bible, church, self, family, others, and their natural world. It is our desire that they develop a loving attitude toward God and others.

## Other Common Questions

### Will my child be safe?

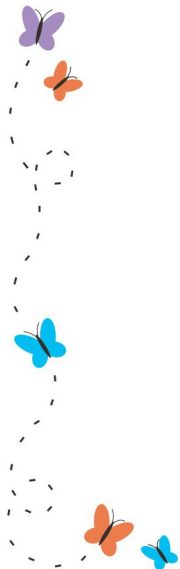

Yes! Each time you bring your preschooler to Caterpillar Cove you will check in at the desk in the lobby. If a need arises, you will be contacted through your cell phone to come to the preschool lobby and check in with the Preschool Coordinator.

All of our volunteers and paid staff must submit a background check before working with any child.

### What if my child cries or is unhappy?

Be assured that our staff is ready to handle these situations! A fussy or crying child can usually be soothed by getting them involved in an activity. Many children are anxious about new people and surroundings so **CONSISTENCY** in bringing your child each week is also important to their adjustment.

If an emergency arises or a child is inconsolable, you will be contacted.

## Do I need to send snacks with my preschooler?

No, in fact we ask that you do NOT send food items other than in the infant room. We will have juice and crackers available. If your child has an allergy, please make sure we are aware of this.

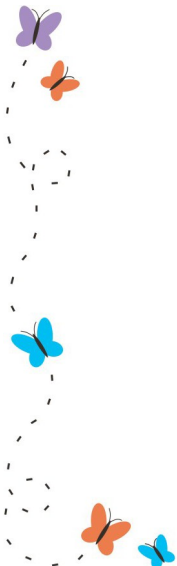

## Can I stay in the room with my child?

We do not recommend this since in many cases it just prolongs the adjustment period for the child and makes it more difficult in the end, however, we will work with you to make each experience at church the most positive it can be.

## How can I volunteer to help out?

We are always looking for volunteers to help out in a variety of ways from volunteering in a classroom, extended care once every 2 months, organizing a resource room, Vacation Bible School each summer and many others. Each volunteer must submit a background check before working with any child.

Be sure and ask at the desk for a copy of our **Preschool Handbook** for additional policies, curriculum overview, and opportunities for parental involvement.
